

Lassiter V16 Roadster from Mafia DE

How to Install ?

Single Player :

Using OpenIV

- Copy v16roadster folder in mods\update\x64\dlcpacks
- Add: dlcpacks:\v16roadster\ to the file dlclist.xml in mods\update\update.rpf\common\data

Fivem :

Copy folder v16roadster inside 'fivem' to your server resources folder, add 'start v16roadster' to your server.cfg
